

PROJECT COORDINATOR FOR CSR AND SUSTAINABILITY

Are you passionate about coordinating and executing on CSR and sustainability initiatives across the value chain in a global company?

AVK Holding A/S is looking for a project coordinator to take lead on activities around CSR and sustainability – including being the driving resource on our annual CSR/Sustainability report.

The Project Coordinator collaborates with a broad team of competent employees to develop and systematise our global CSR activities.

Key responsibilities:

- The main task will be hands-on in relation to coordinating and monitoring the company's environmental activities.
- Contribute to documenting our CSR processes and annual report.
- Analyse data and follow up on climate objectives locally.
- Take the leadership responsibility and ensure coherence, communication, and collaboration globally
- Establish and manage internal network and working groups in all AVK companies.
- Support the AVK Group on trends, development and implementation of CSR/ sustainability initiatives

Your qualifications:

- At least a few years of experience from a similar function – preferably with CSR/ sustainability as your specialty.
- A natural passion for CSR/sustainability and driven by being hands-on.
- Experience with CSR and sustainability reporting and possibly knowledge of ISO 26000 and ISO 49001.
- Know how to motivate, support and challenge the organisation with your skills and drive.
- Proactive in a dynamic everyday life with many stakeholders and cultures.

- Good at creating relationships and collaboration across functions with an infectious passion in the field.
- Strong communication skills in Danish and English.

You will have a unique opportunity to help expand an exciting area with increasing focus. The job offers good opportunities for great independence and influence, and the job will give you good opportunities for personal and professional development.

What to expect:

- An exciting job in a global environment characterised by growth, innovation and change
- Ample opportunity for both personal and professional development
- An unpretentious working environment
- Salary according to qualification and experience

Additional information

Our CSR & Sustainability Project Coordinator will be located in the AVK Group's headquarter in Galten.

If you have any questions about the position, feel free to reach out to Group Quality & Sustainability Manager Michael Christensen, +45 23 80 95 88

About AVK

AVK's core business area is the development and production of valves, hydrants and accessories.

Our products are part of vital infrastructure for clean drinking water, safe distribution of natural gas, efficient wastewater management from households and industry, and not least fire protection.

The AVK Group is family-owned and has headquarters in Galten between Aarhus and Silkeborg.

With a turnover of DKK 6,4 billion in 2021 and more than 4,500 employees divided into 100+ production and sales companies worldwide, AVK is a very significant player in our industry.

Quality, continuity and close relationships form the basis of our goal of being our customers' preferred choice.
